## INDEPENDENT AUDITORS' REPORT

To the Members of Columbia Bible College

### ***Opinion***

We have audited the financial statements of Columbia Bible College (the "Entity"), which comprise:

- the statement of financial position as at April 30, 2020
- the statement of operations for the year then ended
- the statement of changes in net assets for the year then ended
- the statement of cash flows for the year then ended
- and notes and schedules to the financial statements, including a summary of significant accounting policies

(Hereinafter referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Entity as at April 30, 2020 and its results of operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

### ***Basis for Opinion***

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the "***Auditors' Responsibilities for the Audit of the Financial Statements***" section of our auditors' report.

We are independent of the Entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### ***Responsibilities of Management and Those Charged With Governance for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Entity's financial reporting process.

### ***Auditors' Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.  
The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Notes to Financial Statements

Years ended April 30, 2020

## **General:**

Columbia Bible College (the "College") is incorporated as a corporation without share capital under the Columbia Bible College Act of British Columbia. The College provides post-secondary education, including Bachelor of Arts degrees, diplomas and certificates to students drawn from Canada and other parts of the world.

The College is a registered charity under the Income Tax Act and accordingly is exempt from income taxes under Paragraph 149(1)(l) of the Income Tax Act.

## **1. Significant accounting policies:**

These financial statements are prepared in accordance with Canadian accounting standards for not-for-profit organizations. The College's significant accounting policies are as follows:

### **(a) Revenue recognition:**

The College follows the deferral method of accounting for contributions. Externally restricted contributions are recognized as revenue in the year in which the related expenses are incurred. Contributions restricted for the purchase of capital assets are deferred and amortized into revenue at a rate corresponding with the amortization rate for the related capital assets. Unrestricted contributions and pledges are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Endowment contributions are recognized as direct increases in endowment net assets.

Restricted investment income is deferred and recognized as revenue in the year in which the related expenses are recognized. Unrestricted investment income is recognized as revenue when earned.

Operating subsidies are recognized as revenue when received.

Course fees and ancillary revenues are recognized as revenue when earned.

A substantial number of volunteers contribute a significant amount of their time each year. Due to the difficulty of determining the fair value, contributed services are not recognized in the financial statements.

Gifts-in-kind are valued at their estimated fair value at their time of contribution when a fair value can be determined and the College would otherwise have purchased the items.

## 1. Significant accounting policies (continued):

(b) Inventory:

Inventory consisting of food and bookstore merchandise is valued at the lower of actual cost and net realizable value, with net realizable value being the estimated selling price less costs to sell. Inventory consisting of office and general supplies is valued at the lower of actual cost and replacement cost.

(c) Life insurance policies:

Life insurance policies are recorded at fair value which is equal to the cash surrender value. Premiums are expensed as incurred. Any final pay-out is recognized as revenue when received.

(d) Capital assets:

Purchased capital assets are recorded at cost. Contributed capital assets are recorded at fair value at the date of contribution. Betterments which extend the estimated life of an asset are capitalized. Capital assets are reviewed for impairment whenever events or changes in circumstances indicate that the either the full or partial amount of the asset no longer has long term service potential to the College. If such conditions exist, an impairment loss is measured at the amount by which either the full or partial carrying amount of the asset exceeds its residual value.

Capital assets are amortized on a straight line basis using the following annual rates:

Asset	Rate
Buildings and improvements	40 years
Furniture and equipment	8 years
Vehicles	5 years

---

In the year of acquisition, amortization is taken at one-half of the above rates.

(e) Use of estimates:

The preparation of the financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the year. Significant items subject to such estimates and assumptions include the carrying amount of capital assets and accrued liabilities. Actual results could differ from those estimates.

## 1. Significant accounting policies (continued):

### (f) Financial instruments:

Financial instruments are recorded at fair value on initial recognition. Freestanding derivative instruments that are not in a qualifying hedging relationship and equity instruments that are quoted in an active market are subsequently measured at fair value. All other financial instruments are subsequently recorded at cost or amortized cost, unless management has elected to carry the instruments at fair value. The College has elected to carry investments at fair value.

Transaction costs incurred on the acquisition of financial instruments measured subsequently at fair value are expensed as incurred. All other financial instruments are adjusted by transaction costs incurred on acquisition and financing costs, which are amortized using the straight-line method.

Financial assets are assessed for impairment on an annual basis at the end of the fiscal year if there are indicators of impairment. If there is an indicator of impairment, the College determines if there is a significant adverse change in the expected amount or timing of future cash flows from the financial asset. If there is a significant adverse change in the expected cash flows, the carrying value of the financial asset is reduced to the highest of the present value of the expected cash flows, the amount that could be realized from selling the financial asset or the amount the College expects to realize by exercising its right to any collateral. If events and circumstances reverse in a future year, an impairment loss will be reversed to the extent of the improvement, not exceeding the initial carrying value.

## 2. Cash:

The College has a credit facility with the BMO Bank of Montreal for \$500,000 bearing interest at prime plus 0.5%. As at April 30, 2020, there was no amount drawn on this facility (2019 - nil).

## 9. Related parties:

During the year, the College received subsidies from the Mennonite Church BC (MCBC) and the B.C. Conference of Mennonite Brethren Churches (BCMBC), which are recognized as conference support revenue, as follows:

	MCBC	BCMBC	2020 Total	MCBC	BCMBC	2019 Total
Operating subsidies \$	100,000	\$ 320,667	\$ 420,667	\$ 100,000	\$ 322,000	\$ 422,000

MCBC and BCMBC are related parties by virtue of their ability to elect members to the College's Board.

In addition \$25,179 (2019 - \$19,786) of equipment purchases related to information technology was purchased through a company under the control of management.

## 10. Internally restricted:

On an annual basis, the Board of Directors will internally restrict up to 2.5% of operating revenues as a capital reserve. These internally restricted funds are not available for other purposes without the approval of the Board of Directors.

	2020	2019
Balance, beginning of year	\$ 676,238	\$ 676,238

## 11. Commitments:

The College is committed to minimum lease payments for office equipment and vehicles. The total estimated lease payments up to the end of the lease terms are as follows:

---

2021	\$	22,229
2022		17,252
2023		14,229

---

## 12. Financial risks and concentration of risk:

(a) Liquidity risk:

Liquidity risk is the risk that the College will be unable to fulfill its obligations on a timely basis or at a reasonable cost. The College manages its liquidity risk by monitoring its operating requirements. The College prepares budget and cash forecasts to ensure it has sufficient funds to fulfill its obligations.

(b) Credit risk:

Credit risk refers to the risk that a counterparty may default on its contractual obligations resulting in a financial loss. Management does not believe there is a significant credit risk. The College monitors on a regular basis the credit risk to which the College is exposed in relation to its financial assets and takes steps to minimize the risk of loss.

(c) Investment risk:

The College manages its investment portfolio to earn investment income and invests according to an Investment Policy Statement approved by the Board. The College is not involved in any hedging relationships through its operations and does not hold or use any derivative financial instruments for trading purposes.

The College manages interest-rate risk, market, credit and cash flow risk from its investments by investing in a diversified portfolio.

There has been no change to the financial risk exposure outlined above from 2019 other than the pervasive impact of COVID-19 as described in note 13.

## **13. Impact of COVID-19:**

On March 11, 2020 the COVID-19 outbreak was declared a pandemic by the World Health Organization. The College temporarily transitioned to online classes as of March 23, 2020 and no longer housed students in dormitories as of March 22, 2020. The College has transitioned to a work from home approach for employees that are able to do so, along with the implementation of social distancing policies for employees that remain on campuses. The situation presents uncertainty over the College's future cash flows, and may have a significant impact on the College's future operations.

As the situation is dynamic and the ultimate duration and magnitude of the impact on the economy are not known, an estimate of the financial effect on the College is not practicable at this time.

## **14. Comparative information:**

Certain comparative information has been reclassified to conform with the financial statement presentation adopted in the current year.
