Hi, I am Josiah Hoepner, and I am a youth pastor at a church in Chilliwack. It has been a difficult year to find youth leaders, so I am reaching out to CBC in case there are any students in need of some volunteer hours, hopefully a student with a desire to help lead middle school and highschool students along their faith journey. The timeframe would be approximately January-June, but if the student needs the full academic year for the practicum to count, then the student could start back up again in the fall (sept-dec).

## WHY POST ON OUR BOARD?

Columbia's Integrated Learning Department looks forward to partnering with your organization to enrich the education of our students with practical, hands-on experience. We do not place students in Service Practicum placements; rather, we act as a bridge between students and organizations. This placement board is such a bridge. Should a student choose to participate with your organization, we ask that you provide them with opportunities to learn and grow in both skills and confidence in who they are as a person, as well as giving them a rich mentorship experience.
