## WHY POST ON OUR BOARD?

Columbia's Integrated Learning Department looks forward to partnering with your organization to enrich the education of our students with practical, hands-on experience. We do not place students in Service Practicum placements; rather, we act as a bridge between students and organizations. This placement board is such a bridge. Should a student choose to participate with your organization, we ask that you provide them with opportunities to learn and grow in both skills and confidence in who they are as a person, as well as giving them a rich mentorship experience.
