POSITION TITLE: Children's Worker

JOB DESCRIPTION: Meadows is an exciting new MB church plant in Langley Meadows (close to the superstore in Langley). If you are a commuter from Langley (or just don't mind driving Abby to Langley), if you're excited about Kingdom advancement and you love kids, this is the perfect position for you. Our church plant actually spawned out of our daycamp that my wife and I ran on our front and back yard. It's been incredible. This past year we had to move our daycamp to the school as we had 54 kids registered at our daycamp and many of these families will be hooking in to our church through Alpha this fall. Incredible! But we need the help! Your role will be to love kids well in our brand new Meadows Kids program. Our church is a Sunday night church (4:30pm start). We share a meal and then split up into adults, middle school and kids. Be a part of something new. Let's talk!

SKILLS REQUIRED: Love kids
