EXAM RESCHEDULE POLICY

Exams may only be rescheduled for the following reasons and requires submission of an **Examination Reschedule Form to instructor** (available from Academics):

1. **Academic Hardship** - for example more than two exams in one day. **Submit Examination Reschedule Form by December 7, 2026.**
2. **Personal Hardship** - for example a sudden severe illness, conflict with an unchangeable surgery, death in the immediate family, or car accident.
   Personal Hardship does not include moving exams to accommodate family vacation plans, weddings, vehicle breakdown, missing a bus, or sleeping through an alarm.
   Students must complete/submit the **Examination Reschedule Form** as early as possible and no later than **24 hours** after missing the regularly scheduled final exam.
3. **Other Reasons** - if a student misses or anticipates missing an exam for a reason other than Academic or Personal Hardship the instructor has the freedom to refuse or allow the rescheduling of the exam with an academic penalty of **10% to 25% reduction** of their exam mark depending on when the **Examination Reschedule Form** is submitted (i.e. **before or after December 7, 2026**). Permission to reschedule must be requested no later than **24 hours** after missing the regularly schedule exam.
